Gathered to Grow - Sent to Serve

Good Shepherd Lutheran Church is committed to make three things become reality for young people:

- that young people have a relationship with Jesus Christ and they be **established** in the Christian faith;
- **nurtured** in the Christian community;
- and **equipped** to serve all God's people.

This commitment includes working with families, congregation, and leaders that form the Christian contexts of the lives of young people. Currently, we have several different options to help establish, nurture and equip our young people in the faith. These options are outlined in this program. All are welcome to join us on our journey of faith in Christ. Enquiries can be made to GSLC Ministry Centre - 07 5455 8645 or by visiting our webpage: www.noosalutheran.org.au

FAITH Milestones

Baptism 1st Communion Confirmation

Faith Milestones are faith passage moments that foster spiritual growth in one's relationship to God, self, others and all creation. These moments result from the intentional family commitment to faith growth for every member of the household. Currently, Good Shepherd has identified 3 moments in the life of a child that are emphasised in the life of our congregation: **Baptism, First Communion and Confirmation.**

All three of these moments of faith development are encouraged to be journeyed as a family. Each of these moments will be preceded by a time of instruction with parents as the main support and mentor for their own child.

Baptism *(all ages)*

Baptism is all about grace and is a huge gift from God. Good Shepherd offers a series of baptism discussion sessions and pledges to support and equip parents to mentor and teach their children as they plant the seeds of faith in their children.

Baptism Classes are booked by appointment with the Pastor prior to scheduling a baptism.

1st Communion *(for those age 10 +)*

This milestone in the faith life of the child is designed to help young people, together with the support and mentoring of their parents, prepare for the sacrament of Holy Communion.

First Communion classes are for those who are baptised aged 10 or greater. It is designed with parental involvement. Please speak to Pastor if interested.

Confirmation *(School Year 8/9)*

Confirmation is an opportunity for young people to give a public confession of faith in which they were baptised. Our parents began the confirming process as they taught us to pray, told us who Jesus was and brought us to worship. The church assists by its instruction in BibleSong, H2H and in supplementary instruction given by the Pastor and in youth groups, adult groups etc.

Confirmation classes are for those who are baptised and in Year 8/9 and have completed at least 1 year of H2H. These classes are designed with parental involvement. Please speak to Pastor if interested.

Primary School Year 3-5

“Praising God with arts, and hands and voices”

Bible Song is an active, hands-on, arts-based immersion into key Bible verses and Bible stories. A Lead Instructor plans and coordinates the Bible Song sessions, which involve learning a central Bible verse and Bible story enhanced with music, art, and hands-on craft projects. A group of adult helpers serve as group leaders and assistants.

Cross-Generation Family Events

We invite everyone to join together in a partnership of celebrating the faith life of children and youth as we pass along faith to a new generation. Through personal relationships, a warm inviting atmosphere, and life applicable learning; children and youth will be transformed through experiencing God’s love and equipped for serving in their schools, neighbourhood and the world.

During FAMfest we spend time together by participating in a variety of activities that are aimed at encouraging family nurturing and growth.

FAMfest is for all ages and families held at various times and places throughout the year, supporting the ministry of Good Shepherd Lutheran Church.

EQUIPPING

for intergenerational ministry

Encouraging faith at home

Our primary goal as followers of Jesus is that everyone should know who their heavenly Father is and that He wishes to have an intimate and purpose-filled relationship with each and every one of His precious children.

This relationship is deepened when we:

- live as disciples of Jesus Christ at home, in the workplace, in the community and the world
- develop an understanding of the Bible and our faith tradition
- deepen our spiritual life and practices, and engage in service and mission
- relate the Christian faith to life today
- participate in the life and ministries of our faith communities.

The Four Keys of Caring Conversations, Devotions, Service, Rituals and Traditions provide some ideas that can assist us. Christian values and faith are passed on to the next generation when they are seen in action. Faith becomes real when others can see God working in the lives of people.

Caring Conversations

Christian values and faith are passed on through supportive conversations.

- In your conversations, listen closely to the important issues, core values, passions, faith and doubts expressed. It's important that we provide space to ask questions. Respond to concerns compassionately, showing God's love and understanding.
- Pray together - bring God into the conversation.
- Support and encourage the gifts you see in one another.
- Discuss how to use resources wisely, faithfully and joyfully.
- Be intentional and initiate conversations about the way you spend your time, money and how you can allow God into every part of your life and seek His guidance and instruction.
- Share your story with each other - hearing faith stories is one of the most important influences on our faith.

Devotions

Our faith shapes the whole of our lives and involves a lifetime of Bible study, reflection and prayer.

- Pray at all times.
- Instead of feeding the insatiable quest for more news and social networking, consider beginning and/or ending the day reading, praying or meditating on Scripture.
- Family devotions provide a way to learn more about the Bible and Christian tradition as a family.
- Encourage each other to apply these teachings to daily life.
- Share a 'God moment' from your day, a time when you have been keenly aware of God's presence and interaction in your life.

Service

Serving others together provides an opportunity to see people's gifts, faith and values in action. Service is the day-in and day-out lifestyle we lead that demonstrates the faith in us. Families can engage in this key every day.

- Do simple things that show God's love in the world. Open the door for someone, give up your seat, and smile!
- Both children and adults are more likely to have a growing, strong faith when their family serves others together.
- Find a charity, locally, nationally or internationally that you can assist. Get involved in a service event in your community!

Rituals and Traditions

Rituals and traditions communicate meaning, values and relationships that exist between people and with God. Rituals and traditions are those patterns of behaviour that occur with regularity.

- Family rituals can take many forms, from daily rituals such as mealtime, bedtime, leaving and returning, to celebrations such as birthdays, anniversaries, and special achievements.
- Celebrate church year rituals at home, such as Advent and Lent.
- Recognise milestones such as first days of school and graduations, etc.
- Bless people when they arrive and when they leave your home.
- Have symbols in your home that express your faith.

Passing on the Faith

As parents, we pass on things to our children every day. They're watching us, learning from us and emulating us. I'm proud to have taught my kids how to ride a bike, swing a hammer and obey house rules. But I'm not so proud that I've taught them how to get frustrated with slow drivers and red lights! The question is not *are* we passing things on to our children, but *what* are we passing on to our children.

While teachers and coaches play a significant role in teaching our kids how to read, write, have good manners, participate in sports and play musical instruments, any teacher or coach will tell you that parents play the primary role in reinforcing that instruction in the home. The same goes with passing on the faith.

At Good Shepherd, we believe that LIFE starts with our relationship and faith in Jesus Christ. We pass on the faith to the children in several ways: we worship Jesus in Chapel, we share in daily devotions, we learn about Biblical stories and we share our faith through words and actions. We would like to reinforce this by inviting you to join us in passing on the faith with your children by practicing the Faith 5 in your family.

What is the FAITH 5™?

There is a simple faith practice called the FAITH 5, or Faith Acts In The Home, that connects faith to life, and parents to kids in a powerful way. The five steps of the **FAITH 5** are:

Step 1: Share highs and lows.

Talk about a good thing that happened during the day, and something not so good. *This opens up communication and lets you in on what's happening in the lives of your loved ones.*

Step 2: Read a verse from your Bible.

You can use a verse from Youth, Church, Chapel, or some other verse of your choice.

Step 3: Talk about how the verse relates to your highs and lows.

You might want to use a devotion or some other tool that talks about the verse.

Step 4: Pray for one another's highs and lows

Step 5: Bless one another.

Good Shepherd has been modelling the Faith 5 in all of our Youth Programs, and we would like to invite you and your family to partner with us on this faith formation journey. We need your support and participation. We promise to provide you with the tools to share and nurture the faith with your child, if you also promise to be active participants in this process. Come along and see what it is all about. Better yet, be part of the process.
